

DID YOU KNOW?

CAT FACT

Civets and genets are cat-like animals which are in fact the cats' closest living relatives. They differ only in having longer muzzles to accommodate far more teeth.

DOG FACT

Exemption shows include some mixed pedigree classes, but are much more informal than championship shows.

HORSE FACT

Many horse diets can be deficient in salt, so it is a good idea to either feed salt as a supplement or to provide a salt and mineral block that the horse can access.
